Submission Guidelines

The purpose of the contest is to design a logo for IOLUG. The logo will be used on stationery, online, in print, on the website, on displays, and more. IOLUG is an organization that provides opportunities for individuals to share and learn about current trends in libraries and technology to inspire innovation. We encourage Entrants of all ages.

- The logo will need to resize easily, and will look good in black and white as well as in color.
- The logo needs to look good at relatively small sizes as well as larger sizes.
- Entrants should take care to ensure that their Entries are not in any way similar to existing logos or other copyrighted images.
- The logo should incorporate the organization's name "IOLUG."
- Entries must be submitted in PNG format. Due to the requirements of high quality printing, an additional copy in SVG format may be required.
- Up to 3 colors may be used, but the final logo must also look good in black and white. Colors should be CMYK or RGB if possible. Please identify CMYK or RGP numbers if known.
- Because the final version of the logo will need to be suitable for high quality printing, IOLUG reserves the right to make necessary adjustments in color, size, file format, etc.

Artist(s) whose logo is ultimately selected will receive a certificate of appreciation, recognition by the IOLUG Board, and a cash prize of \$100 dollars.
